# Index of Feature Articles

For your reference, following is an index of the features which ran in *Equipment Management* in 1988:

**Applications**

The Big Chill, by Larry Green, September, p. 38.
Where Fuels Rush In . . . , by Matthew Wisla, October, p. 34.
Why Engines Fail, by Charles Lugar, Vice President, D-A Lubricants, November, p. 41.

**Breakers**

Breakers: Rugged and Reliable, by Monica Cohen, April, p. 53.

**Compactors**

Putting on The Squeeze, by Matthew Wisla and Larry Green, August, p. 46.
Vibratory Rollers Shake Up Material Compaction, by Jennifer Finnemore, March, p. 46.

**Compressors**

A No-Pressure Guide to Air Compressors, by Vijay V. Jeste, Product Manager, Portable Compressors, LeROI Division, Dresser Industries, February, p. 22.

**Cooling Systems**

Making Fluid Analysis Pay Off, by Larry Green, May, p. 29.
The Big Chill, by Larry Green, September, p. 38.

**Cranes**

Mixed Breed, by Larry Green, December, p. 48.

**Drive Trains**

Shifting to Automatic, by Matthew Wisla, August, p. 34.

**Electronics**

Shifting to Automatic, by Matthew Wisla, August, p. 34.

**Engines**

Big Improvements in Small Engines, by Matthew Wisla, March, p. 32.
The Big Chill, by Larry Green, September, p. 38.
Trucking in Style: 1988, by Larry Green, April, p. 28.
Where Fuels Rush In . . . , by Matthew Wisla, October, p. 34.
Why Engines Fail, by Charles Lugar, Vice President, D-A Lubricants, November, p. 41.

**Equipment Management**

1988 Equipment Information Telephone Directory, June, p. 52.
Aftermarket Equipment Directory, December, p. 28.
Bogus Buys: The Counterfeit Crisis, by Monica Cohen, May, p. 20.
By The Book, by Richard P. Derks, Associate, Austin Consulting, June, p. 39.
Dealing with Alternatives, by Matthew Wisla, March, p. 28.
Equipment Manufacturer Directory, February, p. 44.
Milling: Plane and Fancy, by Robert Bassi, President, Bassi Communications, November, p. 48.
Mixed Breed, by Larry Green, December, p. 48.
Move 'em Out, by Kelly Walker, President, Walker Associates, and Larry Green, August, p. 28.
Picking Up The Pieces, by Matthew Wisla, January, p. 29.
Protecting Equipment Against Vandalism and Theft, by Larry Green, November, p. 36.
Rolling, Rolling, Rolling, by Matthew Wisla, September, p. 32.
Selecting The Best Loader Backhoe, by Monica Cohen, March, p. 39.
Skid Steers: More Than Just Loaders, by Jennifer Finnemore, January, p. 41.
The Big Chill, by Larry Green, September, p. 38.
Think Big, by Ramon De Arrigunaga, Service Manager, Shop 2 Fleet Management Div./GSA, Metro-Dade County, Fla., October, p. 26.
Trucking in Style: 1988, by Larry Green, April, p. 28.
Using Backhoes More Efficiently, by Brian Alm, Industrial Editor, Deere & Co., March, p. 40.
Versatility—With A Capital V, by Jennifer Finnemore, September, p. 48.
Vibratory Rollers Shake Up Material Compaction, by Jennifer Finnemore, March, p. 46.
Why Engines Fail, by Charles Lugar, Vice President, D-A Lubricants, November, p. 41.

**Equipment Manager**

Picking Up The Pieces, by Matthew Wisla, January, p. 29.
Profiles, by Robert A. Bassi, President, Bassi Communications, July, p. 25.

**Equipment Selection**

A No-Pressure Guide to Air Compressors, by Vijay V. Jeste, Product Manager, Portable Compressors, LeROI Division, Dresser Industries, February, p. 22.
As You Like It, by Matthew Wisla, July, p. 41.
Breakers: Rugged and Reliable, by Monica Cohen, April, p. 53.
Laying Down on The Job, by Jennifer Finnemore, May, p. 43.
Milling: Plane and Fancy, by Robert Bassi, President, Bassi Communications, November, p. 48.

Skid Steers: More Than Just Loaders, by Jennifer Finnemore, January, p. 41.
Using Backhoes More Efficiently, by Brian Alm, Industrial Editor, Deere & Co., March, p. 40.
Versatility—With A Capital V, by Jennifer Finnemore, September, p. 48.
Vibratory Rollers Shake Up Material Compaction, by Jennifer Finnemore, March, p. 46.

**Equipment Technology**

Big Improvements in Small Engines, by Matthew Wisla, March, p. 32.
Filtering Information, by Matthew Wisla, April, p. 47.
Finishing: The Job, by Larry Green, February, p. 29.
Forum Report: Brake Systems, by Monica Cohen, February, p. 35.
Hit The Dirt: by Kelly Walker, President, Walker Associates, and Larry Green, July, p. 48.
Increase Bearing Service Life, by Raymond A. Guyer, Manager, Service Engineering, SKF Bearing Services, September, p. 46.
Keep It Clean, by Matthew Wisla, December, p. 18.
Looking for Trouble?, by William J. Lang, Vice President, Lenox Instrument Co., May, p. 38.
Making Fluid Analysis Pay Off, by Larry Green, May, p. 29.
Making Tracks, by Earl D. Martenson, Director of Marketing, Mobile Contruction Products, Barber-Greene Co., May, p. 33.
Pumping Up, by John Strangberg, Field Service Training Manager, J I Case, June, p. 33.
Shifting to Automatic, by Matthew Wisla, August, p. 34.
The Big Chill, by Larry Green, September, p. 38.
Where Fuels Rush In . . . , by Matthew Wisla, October, p. 34.
Why Engines Fail, by Charles Lugar, Vice President, D-A Lubricants, November, p. 41.

**Excavators**

New and Improved, by Matthew Wisla, June, p. 23.

**Filters**

Filtering Information, by Matthew Wisla, April, p. 47.
Making Fluid Analysis Pay Off, by Larry Green, May, p. 29.

**Forklifts**

Versatility—With A Capital V, by Jennifer Finnemore, September, p. 48.

**Forum/Research Reports**

Forum Report: Brake Systems, by Monica Cohen, February, p. 35.
Forum Report: Operator Comfort Options, by Jennifer Finnemore, April, p. 41.
Forum Report: Used Equipment, by Jennifer Finnemore, June, p. 45.
Research Report: Heavy Trucks, by Jennifer Finnemore, August, p. 39.
Research Report: Renting Equipment, by Larry Green, October, p. 41.
Research Report: Service Trucks, by Larry Green, December, p. 35.

**Fuels**

Making Fluid Analysis Pay Off, by Larry Green, May, p. 29.
The Big Chill, by Larry Green, September, p. 38.
Where Fuels Rush In . . . , by Matthew Wisla, October, p. 34.

**Hydraulics**

Pumping Up, by John Strangberg, Field Service Training Manager, J I Case, June, p. 33.

**Light-Duty Trucks**

Trucking in Style: 1988, by Larry Green, April, p. 28.

**Loader Backhoes**

Selecting The Best Loader Backhoe, by Monica Cohen, March, p. 39.
Using Backhoes More Efficiently, by Brian Alm, Industrial Editor, Deere & Co., March, p. 40.

**Lubricants**

Making Fluid Analysis Pay Off, by Larry Green, May, p. 29.
Why Engines Fail, by Charles Lugar, Vice President, D-A Lubricants, November, p. 41.

**Maintenance Management**

By The Book, by Richard P. Derks, Associate, Austin Consulting, June, p. 39.
Hit The Dirt!, by Kelly Walker, President, Walker Associates, and Larry Green, July, p. 48.
Increasing Bearing Service Life, by Raymond A. Guyer, Manager, Service Engineering, SKF Bearing Services, September, p. 46.
Keep It Clean, by Matthew Wisla, December, p. 18.
Looking For Trouble?, by William J. Lang, Vice President, Lenox Instrument Co., May, p. 38.
Pumping Up, by John Strangberg, Field Service Training Manager, J I Case, June, p. 33.
Replace, Rebuild or Remanufacture?, by Monica Cohen, January, p. 22.
Research Report: Service Trucks, by Larry Green, December, p. 35.

# Feature Articles

Rolling, Rolling, Rolling, by Matthew Wisla, September, p. 32.
The Big Chill, by Larry Green, September, p. 38.
Think Big, by Ramon De Arrigunaga, Service Manager, Shop 2 Fleet Management Div./GSA, Metro-Dade County, Fla., October, p. 26.
Where Fuels Rush In . . . , by Matthew Wisla, October, p. 34.
Why Engines Fail, by Charles Lugar, Vice President, D-A Lubricants, November, p. 41.

**Management Trends**

1988 Equipment Information Telephone Directory, June, p. 52.
Aftermarket Equipment Directory, December, p. 28.
Bogus Buys: The Counterfeit Crisis, by Monica Cohen, May, p. 20
By The Book, by Richard P. Derks, Associate, Austin Consulting, June, p. 39.
Dealing With Alternatives, by Matthew Wisla, March, p. 28.
Equipment Manufacturer Directory, February, p. 44.
Forum Report: Operator Comfort Options, by Jennifer Finnemore, April, p. 41.
Forum Report: Used Equipment, by Jennifer Finnemore, June, p. 45.
Move 'em Out, by Kelly Walker, President, Walker Associates, and Larry Green, August, p. 28.
Profiles, by Robert A. Bassi, President, Bassi Communications, July, p. 25.
Protecting Equipment Against Vandalism and Theft, by Larry Green, November, p. 36.
Replace, Rebuild or Remanufacture?, by Monica Cohen, January, p. 22.
Research Report: Heavy Trucks, by Jennifer Finnemore, August, p. 39.
Research Report: Renting Equipment, by Larry Green, October, p. 41.
Research Report: Service Trucks, by Larry Green, December, p. 35.
Rolling, Rolling, Rolling, by Matthew Wisla, September, p. 32.
Think Big, by Ramon De Arrigunaga, Service Manager, Shop 2 Fleet Management Div./GSA, Metro-Dade County, Fla., October, p. 26.
Trucking in Style: 1988, by Larry Green, April, p. 28.

**Medium- and Heavy-Duty Trucks**

Trucking in Style: 1988, by Larry Green, April, p. 28.

**Mining**

Picking Up The Pieces, by Matthew Wisla, January, p. 29.

**Paints and Finishes**

Finishing: The Job, by Larry Green, February, p. 29.

**Paving Equipment**

Laying Down on The Job, by Jennifer Finnemore, May, p. 43.
Making Tracks, by Earl D. Martenson, Director of Marketing, Mobile Construction Products, Barber-Greene Co., May, p. 33.

**Planers**

Milling: Plane and Fancy, by Robert Bassi, President, Bassi Communications, November, p. 48.

**Rental**

Rental Equipment Management, January, p. 30A.
Rental Equipment Management, March, p. 34A.
Rental Equipment Management, May, p. 32A.
Rental Equipment Management, July, p. 38A.
Rental Equipment Management, September, p. 28A.
Rental Equipment Management, November, p. 40A.
Research Report: Renting Equipment, by Larry Green, October, p. 41.

**Rough-Terrain Forklifts**

Versatility—With A Capital V, by Jennifer Finnemore, September, p. 48.

**Skid-Steer Loaders**

Skid Steers: More Than Just Loaders, by Jennifer Finnemore, January, p. 41.

**Tires**

Rolling, Rolling, Rolling, by Matthew Wisla, September, p. 32.

**Trailers**

On The Move, by Larry Green, October, p. 46.

**Trucks**

Research Report: Heavy Trucks, by Jennifer Finnemore, August, p. 39.
Shifting to Automatic, by Matthew Wisla, August, p. 34.
Trucking in Style: 1988, by Larry Green, April, p. 28.

**Welding**

Hit The Dirt!, by Kelly Walker, President, Walker Associates, and Larry Green, July, p. 48.
Increase Bearing Service Life, by Raymond A. Guyer, Manager, Service Engineering, SKF Bearing Services, September, p. 46. ■
